You may only request information for yourself. If you are on a joint account and are requesting information for both players on the account then **both** players must sign the form. Please allow adequate time to process your request – approximately two weeks.

Your Win/Loss Statement will include estimated Slot play activity which was collected while playing with your One Club card inserted in the slot machine. It will not include slot tournament or giveaway party winnings, table games, race and sports book, poker or keno activity. Therefore, your statement does not constitute your total gaming activity – it merely reflects an estimate you can use to compare to your own records. We suggest you give your statement to your tax advisor for direction on the best way to use the information.
